Position yourself to successfully lead an agile team (or multiple teams) and effectively take on more complex and key initiatives for your organization. Adopt an agile mindset as well as being able to tailor and scale any agile or lean approach using the Disciplined Agile tool kit to choose your way of working (WoW).

With DASSM training and certification, you will:

1. Take a **deep dive into the Disciplined Agile tool kit** to develop a comprehensive understanding of the hundreds of practices and strategies it contains and the trade-offs of applying them.
2. Accelerate your ability to **lead high-profile initiatives** that are critical to enterprise success.
3. Apply the Disciplined Agile tool kit in hands-on exercises to guide your team in choosing and evolving your best **way of working (WoW)** in real-life situations.
4. Use the tool kit to **solve complex challenges** commonly encountered in development and operational teams, the value stream, and at the enterprise level.
5. Learn how to design and **implement metrics** to measure **improvements** in areas where your teams are struggling.
6. Understand how to nurture **emotional intelligence**.
7. Feel confident **empowering** others on your team(s).
8. Learn how to **lead your teams** in any situation to **improve value delivery** for your customers.
9. Apply the Disciplined Agile tool kit to guide your team in choosing and evolving the **best way of working (WoW)** in the situation you face.
10. Be prepared to take the Disciplined Agile Senior Scrum Master (DASSM) exam and earn valuable, credible certification.
